

## Workshop on Outcome Based Education (OBE)

25-April-2021

Assalamualaikum Dear Students,  
Ramadan Mubarak. Hope, you and your loved ones are safe and healthy.

It gives us immense pleasure to inform you that the Department of EEE is going to organize an online Workshop on Outcome Based Education (OBE) for the students of the Department of EEE. The workshop will be held on **2nd May, 2021**.

The workshop is intended to educate the students about the philosophy of OBE to facilitate the implementation of OBE curriculum successfully. Implementation of OBE curriculum requires involvement of not only teachers but also students, and their continuous improvement is paramount in assuring the quality of the outcome of any of the programmes of the University.

The workshop is expected to develop confidence amongst the stakeholders, and also facilitate the Department in getting the Accreditation of the undergraduate programme from the BAETE (Board of Accreditation for Engineering and Technical Education).

#The workshop will be conducted online in two parallel sessions according to the following schedule:

**Date: 2nd May, 2021**

**Time: 10:30 AM to 12:45 PM**
